

CLINIC PROFESSIONAL LIABILITY INSURANCE

Protecting your business assets if your business is named in a statement of claim.

Coverage Details

- In the event of a claim, both the professional (dental hygienist) and the clinic are likely to be named in a statement of claim or lawsuit. Clinic Professional Liability insurance protects your business and its assets in such circumstances
- You should purchase this coverage if you have employees and/or other dental hygienists working for or on behalf of your clinic and billing under your clinic name
- Coverage is provided on a “claims made” basis and will respond to claims first known and reported during the policy period
- Each employee rendering a professional service must provide confirmation that they carry their own individual professional liability insurance

All premiums noted are subject to applicable provincial tax: Ontario 8%, Quebec 9%, Manitoba 7%, Newfoundland 15% and Saskatchewan 6%. All other provinces are not subject to tax.
